YOUR SCHOOL. YOUR COMMUNITY.

YOUR CHANCE TO MAKE A DIFFERENCE

TORAH ACADEMY of GREATER PHILADELPHIA
CAPITAL CAMPAIGN
Torah Academy of Greater Philadelphia serves boys and girls in nursery through 8th grade, laying the foundation for them to mature as Torah-observant Jews and role models who are contributing members of society.

We provide a stimulating education for students with different learning styles and academic capabilities, in a loving environment that promotes Ahavat Torah, Medinat Yisrael and academic excellence.

**Our Mission**

When we opened our doors 50 years ago, we were the community school. Today, we remain committed to providing a warm, welcoming atmosphere for every Jewish child.

We are “Diverse by Design”

A $10 million capital campaign is now being launched to renovate our building and fund numerous improvements, including:

- Secure entrance, lobby and classrooms
- First exclusive Beit Midrash
- State-of-the-art science lab, library and music room
- New mechanical, electrical and plumbing systems
- Improved space utilization
- Air conditioning and enhanced air quality
- Achieve more efficient use of our entire facility
- Provide greater safety and security to our children
- Help us meet all ADA, fire, and air-quality codes and standards, and increase handicap accessibility
- Give every child the environment he or she needs to succeed

Together, we can build a fitting home for the outstanding education provided to every child, every single day.
