### Morris and Rose Caskey Torah Academy of Greater Philadelphia

The Caskey Torah Academy of Greater Philadelphia educates boys and girls from nursery through grade eight. With a curriculum rooted in Torah and general studies characterized by academic excellence and providing skill proficiency in all areas, CTA provides a dynamic Jewish education that fosters intellectual as well as spiritual understanding and love of Torah through a commitment to its mitzvos and values. An emphasis on middos tovos infuses all aspects of school life.

Caskey Torah Academy will make every reasonable effort to provide tuition assistance to those families who demonstrate financial hardship.

**By creating a climate of active intellectual inquiry in both Judaic and general studies, Caskey Torah Academy:**

- Encourages exploration and understanding of the world.
- Emphasizes the responsibility of each Jew toward G-d and all people.
- Instills in its students Ahavas Yisrael – love of Israel and the Jewish people – as embracing the Land and State of Israel, and fellow Jews.
- Inculcates in its students the ideals of the American democratic heritage of freedom, justice and human dignity.
- Views each child as an individual and provides a stimulating education for students with different levels of academic ability and learning styles.
- Partners with parents to nurture each student to develop as an entire person.
- Enables and encourages students, through critical thinking, skill proficiency and substantive knowledge, to discover and excel in fields in which they can lead meaningful lives.
- Prepares its students with the skills to pursue their Judaic and general studies at the next level of learning and throughout life. In sum, Caskey Torah Academy provides the foundation for its students to mature as Torah-observant Jews and role models who are contributing members in Jewish and general society. **The Spirit of Israel Eretz Yisrael** and Medinat Yisrael are an integral part of our school's identity. Our curriculum reflects the centrality of Israel in our daily lives and we seek to imbue our students with a love for the land and a deep connection with its people.
